

PIONEERING SINCE 1903

EVENT INFO

WHAT IT'S ALL ABOUT

Taking PIONEERING to the next level, join us for the inaugural Husqvarna Motorcycles 701 Enduro Trek: High Country!

Explore the outstanding High Country region of Australia with like-minded riders, as we forge a new path with an adventure ride designed for the Husqvarna 701 Enduro.

The High Country offers some of the best adventure riding in Australia, so we have chosen this location for our inaugural pioneering event. Long hill climbs, technical descents, rocky river crossings and sweeping mountain views all add up to make this a great destination to explore on a motorcycle.

But this ride isn't just for any adventure bike: the Husky Trek is for 701 Enduro models only, meaning the strong links that both Husqvarna Motorcycles and the High Country have with history and heritage will play a part in the adventure.

Dotted in amongst the hills are reminders of Australia's pioneering past with cattleman's huts and relics from early gold mining days: perfect areas for Husqvarna motorcycle rider's to explore.

And just as the Husqvarna 701 Enduro makes a great platform for both new and experienced riders alike, the Husky Trek will be suitable for a wide range of riders. The main route will be achievable for first-time adventurers with a little bit of off-road experience. The optional harder routes will keep things spicy for riders that like to continually challenge themselves.

The Husqvarna Motorcycles 701 Enduro Trek is about offering a great experience to our 701 Enduro riders - and what better way to do that than by four days exploring the historic High Country with a pack of 701's!

THE ROUTE & NAVIGATION

Starting our journey in Merrijig, four-days of exploring through the High Country will take us past many highlights that will appeal to the 701 riders pioneering spirit.

We will see cattleman huts tucked away in the depth of valleys, including one of the most iconic in Australian history: Craig's Hut. Enjoy a drink at an historic Aussie pub like Dargo Hotel or Hotel High Plains. Delve into the history of the gold mining era as we pass through Omeo, Beechworth and El Dorado.

But it's not just about what we will see - it's also about what we will ride. Tear up awesome fun technical tracks flowing beside creeks. Pick your way along twin-track above the snow line. And navigate tricky trails through pine forests that will keep you on your toes. And that's just a taste to get you started!

As outlined, the Husky Trek will be suitable for a wide range of riders, just as the 701 Enduro is. Therefore two route options will be offered throughout the event. The Main Route will be achievable for those in their first year of adventure riding (should have some off-road experience, at least a year). And the Hard Route options each day will offer up challenges for those looking to push their limits and broaden their horizons.

Lead riders will depart before the group each morning to ensure the tracks are clear, plus sweep riders will bring up the tail end of the pack to assist with any issues that may arise throughout the day.

Choose daily which routes you wish to take - as this adventure is designed for each rider to make it their own. Each day's route can be traversed in your own time, at your own pace.

To achieve this, navigation for riders will be via one of two options; GPS (with tracks provided pre-event), or route sheets supplied at each nights' riders briefing. It is highly recommended to have a GPS unit for the Husky Trek, or to ride with a mate who has one.

The route sheets will however feature Points of Interest which you should take note of each day, as these will feature some true pioneering gold!

SUPPORT

To assist riders in making the most of their Husky Trek experience, we offer the following support.

LUGGAGE

An allocation of one-bag per rider is available in the Luggage Van, which will be carried between each overnight destination. This bag can be either a roll-bag or pack (no hard luggage).

TECH SUPPORT

We will have Husqvarna Motorcycles Australia mechanics available to assist with any issues that may arise along the way that you cannot fix yourselves.

GENUINE PARTS SUPPORT

All riders are advised to bring spare parts along, however in case of unforeseen circumstances that may arise when adventure riding, we will have a range of Genuine Parts available to purchase throughout the Husky Trek.

MEDIC SUPPORT

We will have Medical Support staff available to assist with rider injuries.

More information on the provided support will be given to those who register for the event in the Registered Rider Pack.

ITINERARY

SIGN ON & WELCOME

Sunday April 28th 2019

MERRIJIG

DAY 1

Monday April 29th 2019

MERRIJIG > DARGO

DAY 2

Tuesday April 30th 2019

DARGO > DINNER PLAIN

DAY 3

Wednesday May 1st 2019

DINNER PLAIN > BEECHWORTH

DAY 4

Thursday May 2nd 2019

BEECHWORTH > BRIGHT

Friday May 3rd 2019

Riders make their own way home.

ACCOMMODATION & DINNERS

It will be the riders responsibility to book their own preferred overnight accommodation. Once registered, all riders will receive a REGISTERED RIDERS PACK which will outline all the suggested accommodation venues and where the nightly Riders Briefing and Dinners will take place, which we call the Home Base.

HOME BASE

Each night we will have a Home Base, where all the support will be available including luggage, technical and medical. This will also most likely be where the dinner destination is for the night, as well as the Riders Briefing and nightly social revelry! The suggested accommodation venues are all within walking distance or a short ride from the Home Base every night.

DINNERS

Are included in the Husky Trek every night! From the Welcome Dinner on the first night to the final Wrap-Up dinner. So after a long day on your 701, you don't need to worry about having to think about dinner - we've got it sorted for you.
